THANK YOU

The Festival Committee wish to thank all those who support our festival year after year, those from our own community, our neighbouring communities and visitors alike. Once again a big "THANK YOU" to all our sponsors for their continued support - we ask you to support them whenever possible.

A very special thanks to the many people who give their time, to help in any way, to make our festival a success - this help is invaluable to us - the festival could not be run without you.

AS ALWAYS - the proceeds of our Festival will go towards Timoleague Community Projects
